## OUR VALUES

- **High Quality Education**
- **Learning and Academic Excellence**
- **Holistic Development of Students**
- **Courage and Integrity**
- **Respect, Responsibility and**
- **Preserve Nature**

## OUR COMMITMENT AND MISSION STATEMENT

Gen Alpha has pledged to serve all its learners with World Class Education online in the best way. By blending self-paced learning, flexible and convenient learning environment, teaching – mentoring possibilities, and parental collaboration, Gen Alpha wants stands out in the online school community.

Gen Alpha believes that a kid's development seeks equal contribution from self, teachers and parents. Our coordinators and teachers arrange online discussion sessions with parents from time to time to discuss the progress of their children. We, thus ensure innovative and tailor-made ways to ensure children's future development.

At Gen Alpha School, we don't just endeavour to create the best online school. Instead, we aim at creating a cohesive and harmonious learning environment.

## **WORLD CLASS SYSTEM**

**Anyone from any part of the world can Join Gen Alpha. We have gone beyond the concept of physical space, geographies, and boundaries by taking Schooling to the global level.**

**Our education model focuses on developing leaders, entrepreneurs, and innovators with the core values of society, to develop the global vision of humanity and to impart these as knowledge to the students.**

**Gen Alpha Education offers British Curriculum- Cambridge International from Grade 1 to 5 (Primary) and Grade 6 to Grade 8 (Lower Secondary).**

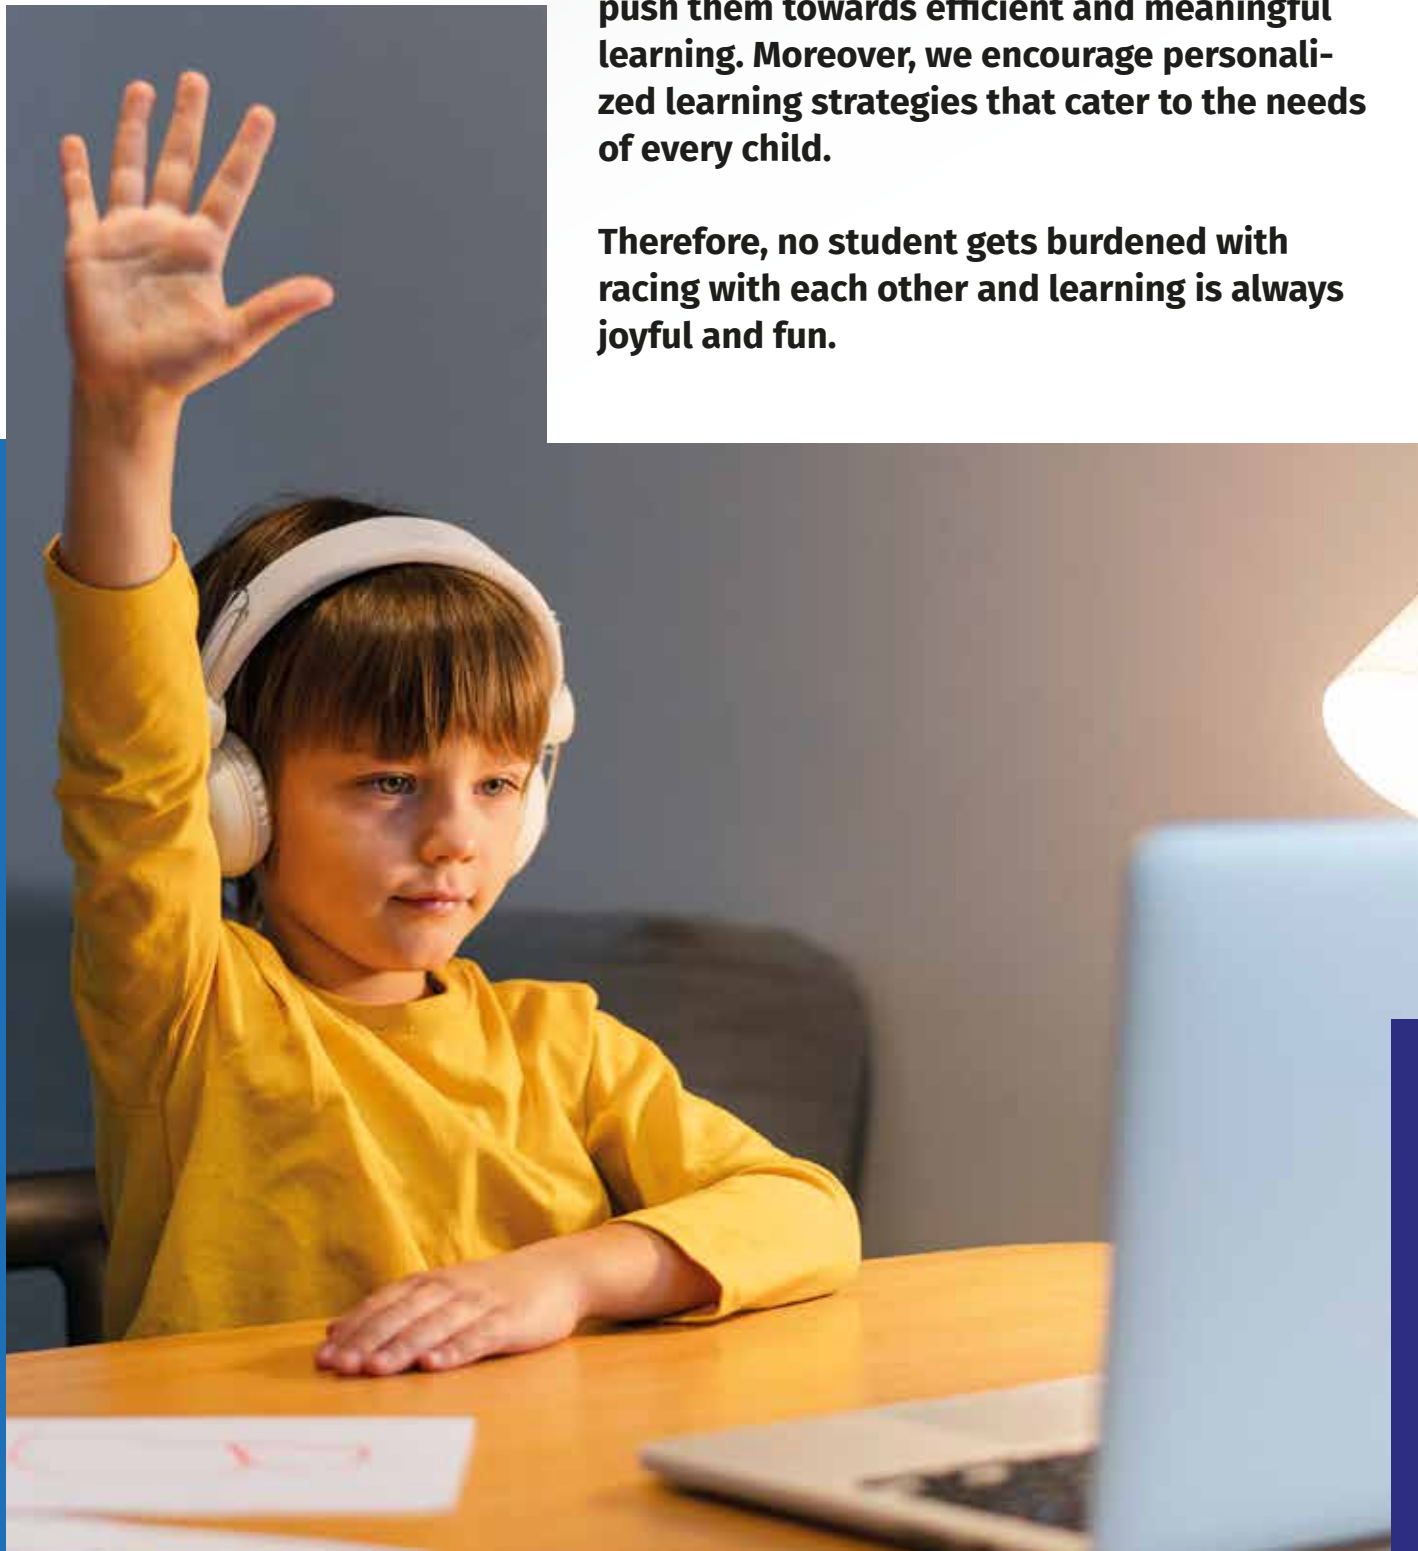

## **INDIVIDUAL ATTENTION**

**With Our 1:20 teacher: student ratio for K.G. & Nursery and 1:24 teacher:student ratio from Grade 1 to Grade 8, we make sure that every child gets personalized attention. While implementing the 'Mother-Teacher' concept, our teachers identify talent in each student and push them towards efficient and meaningful learning. Moreover, we encourage personalized learning strategies that cater to the needs of every child.**

**Therefore, no student gets burdened with racing with each other and learning is always joyful and fun.**

## CONVENIENCE & FLEXIBILITY

Unleash the power of learning online with Gen Alpha. Moreover, the 'online school' helps the child study from anywhere and at any time. Besides giving the flexibility and convenience to receive knowledge, we host noncompulsory social clubs every Saturday to encourage students to build interpersonal relationships and to foster communication.

## SAFE & SECURE ENVIRONMENT

We bring the experience of international schooling and education to your doorstep along with a safer environment-friendly classroom experience. While the students break the barriers of geography, they need not step out of the house (avoid commuting) to get a quality education.

## SKILL-BASED LEARNING

Teaching life skills is our priority. Besides training and developing children for technological advancements, there are many more aspects of life to teach them. We arrange special sessions of yoga, communication, arts, and many more to ensure the holistic development of our children. Right from decision making to time management, we prepare children of today to lead, achieve in the real world.

# INNOVATIVE LEARNING & TEACHING

Who says learning can't be fun and real at the same time? With our excellent activity and project-based learning methodologies, we make it happen! Our experienced and expert educators dedicate their entire time to making real learning enjoyable for children. While the teachers bring innovation in learning approaches, they also innovate activities to bring out the hidden talents of a child effortlessly.

## OUR LEARNING PLATFORM

Gen Alpha is providing the most advanced learning platform where children can log in and connect with our world of learning and our faculty. This learning platform gives you instant access to your child's academics from attendance, online classlink, class tests, assessments, lesson plan, etc.. with just a click. We provide a hassle-free environment with instant access and recent updates of your academics thereby providing an interactive engagement with parents, teachers, and children.

The advanced learning platform is also accessible through our sophisticated android application which is available in google play store. This android app can be used by both parents and students to access all the facilities of our learning platform from your mobile. This also helps parents to keep a track of the child's academic development instantly.
